

A wide-angle aerial photograph of a busy port. In the foreground, a large blue gantry crane with 'QC07' and 'ZIMMER' markings is positioned over a ship's deck. The ship's deck is filled with yellow and red shipping containers. To the right, a vast yard is filled with stacks of colorful shipping containers (yellow, red, blue, green). In the background, a large white warehouse with 'NORTHPORT' written on its side is visible. The sea is on the left, and a city skyline is in the distance under a clear sky.
